Reminders

It's that time of year again! As we approach the winter and hat wearing season please remind your child about head lice prevention. Educate them about the symptoms, how to keep it from spreading and proper treatment. Please contact the school if your child is positive for head lice so we can take additional steps to protect staff and students. Please see our Facebook page for more information on head lice from ND Dept of Health.

Fridays we invite family and friends to come walk the track 8:00 – 8:25 and again over the lunch recess.
